

Office Memorandum

02- CIA-RDP75-00662R000100130085-7
UNITED STATES GOVERNMENT

DATE: 10 Jan. 1952

For one of our A/1 priority projects for JIC-ORR 110, covering Soviet Capabilities in the Event of War, we require considerable information on the inputs into Soviet equipment. The deadline on this project in D/I is March 3.

Any information we can get on these inputs will be of considerable value in completing this project.
